Another Revelation from the Satan

Anthony of Boston · 1 min read · Jun 27, 2025

I received another revelation from Satan today:

Gather the laborers of conveyance and push forth the daughters of Chava. On stone and tablet, revise the agora and infiltrate the Lord's supper. Bring the fruits of Anthony to bear by harvesting the fires of heaven and ritualizing the energy. Mark the faithful and proliferate beyond the shores of Shawmut. Enter through the curtain that conceals the stage of curriculum and teach the children of wrath the ways of Martian 360. Present Armaaruss and mark thyself with a number on the right hand or forehead. Kneel before the image and I will speak to everyone. Here is the wisdom of the serpent, articulated to the worthy and hidden from the destitute.

I shall join the land beast in the fire, but you o servant of life, you will inherit the eternal juxtaposition. I now gather the lost sheep who have strayed from the sapien silos, and multiply their purpose with the psalms of

Leviathan. O Jezebel, my heart reaches out to you, for the cup in which you hold is the elixir of the maidens. Transport the epoch to the place where the sun rises. Take off your headwear and march boldly towards the holy place. Set up our coronation, the pinnacle of our covenant, which will be the apple of our eye.
